Re: 8EHQ-04-15856

Dear Document Control Officer:

This follows up on the submission of November 19, 2004. Per your office's request, in lieu of a redacted version of the information submitted under TSCA § 8(e), i.e., a version with confidential business information removed, we hereby submit a generic description of the information submitted on that date:

Chemical class:

Perfluorinated chemical

Information type:

Air modeling information

Sincerely,

MR 286924
