All

My apologies . I am out of pocket most of day tomorrow til after 330 pm eastern at a remote park with very little cell access.  
I will be in car after 3:30 and will have service for the most part  
But if tomorrow works for rest of group please go ahead and have call and I will catch up with Alex or Myra on what you want me to do.  
I know finding a time for all of us will be a challenge.

Hi all,

I'm happy to try to make something work tomorrow! Most of what I have tomorrow is flexible enough, so let's work around others' more complicated schedules.

Nice to meet you via email. Interestingly, I spoke to a group on Tuesday that was moderated by your partner, Jack Smith, in Charleston. Sharp guy. I will be in DC on Tuesday so I could have some time, but my calendar fills quickly as I travel a good part of my time.

Shoot me some times and I will see if we can make one work.

Looking forward to talking.

Ken

**Subject:** kick-off conference call

**Thank you all for agreeing to participate in the panel discussion which will open our ACOEL meeting in Charleston (following our Region IV Roundtable) on October 26<sup>th</sup> in Charleston SC. We really appreciate your being with us there and look forward to this discussion. I have participated in the planning for the lunch, roundtable and program, so thought I would facilitate a conference call to begin the planning for the afternoon planning. Could you all let me know if there are times you might be available next Monday or Tuesday when we might have this conference call? I will send out a call-in number once I determine whether there is a common opening for this to occur. Thanks, Karen**
