Dear Mr. Van Susteren:

On June 9, I wrote you to request copies of the official transcript from your hearings on DDT. We specifically wanted the testimony of F. B. Coon on May 7 and May 8, and Robert Risebrough on May 12 and May 13.

On June 26, you confirmed this request and said that the testimony and any pertinent exhibits would be sent when available.

I know this type of transcription takes time, but I wonder if you could give me any idea as to when we may receive this material?

Sincerely,

Tom C. Ford
