My dear Mr. Endicott:

Could you please transfer to the Massachusetts General Hospital five hundred dollars from the Lead Fund of the School of Public Health. This procedure has a precedent in so far as three thousand of this fund was transferred to the Massachusetts General Hospital three years ago more or less. It will here be used for paying the Hospital for the care of patients and for the incidental expenses attendant upon the clinical and laboratory work here at the Hospital. Dr. Edsall verbally approved of this transfer.

Sincerely yours,

(Signed) Joseph C. Aub
