Mr. Ben S. Wright, Vice President
Owens-Corning Fiberglas Corporation
National Bank Building
Toledo 4, Ohio

Dear Mr. Wright:

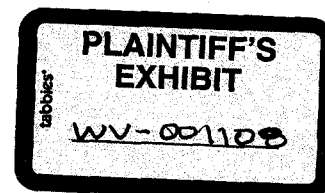

Reference is made to S. E. Carpenter's letter of May 9, to M. D. Burch citing a premium charged by the Carpenters' Union at San Antonio, Texas for handling Fiberglas. Several matters are pending with regard to the relationship of Fiberglas to the Carpenters' International which will be discussed with the latter group in the immediate future. We will include at that time the San Antonio, Texas matter.

Very truly yours,

Ira I. Brought
