

Interoffice Communication

To Recipients of OSHA 1910
From C. H. Klunick, Safety, Houston
Date March 31, 1978
Subject OSHA 1910 - "General Industry Standards"

The attached OSHA 1910 Standards is complete, containing the latest revisions, corrections and amendments. Please use this copy when you have the need to refer to the OSHA 1910 - "General Industry Standards." Future changes will be distributed on a sheet replacement basis. To facilitate maintenance of your standards, we suggest it be filed in two 3-ring, 3-inch binders.

Please discard your old copy issued in May of 1976. Future changes will not be issued for the old copy.

If you have any questions, please call Mary Dearman, Extension 2335, Safety Division, Houston.
