Dr. Robert Kehoe
Kettering Laboratory
University of Cincinnati
Cincinnati, Ohio

Dear Dr. Kehoe:

Dr. Carey P. McCord has been good enough to suggest to us that we write you for literature upon the prevention and treatment of lead poisoning.

We would greatly appreciate your courtesy and assistance, if you will send us a list of available references upon this subject, for all of which, please accept our most sincere thanks.

Very truly yours,

ROBERT F. COLEMAN, INC.
