Aurelia,

What a great meeting. Thank you. It is rare that one hears the same language spoken by our leadership.

I'm feeling blessed today as we have had such great dreams for Federal Hall and Gateway and many times they have been dashed.

Brandi and I would very much like to schedule a conference call with you to discuss next steps and the Secretary's possible visit to Federal Hall. It would be ideal if he could travel here when the flags are installed until November 9. It is an awe inspiring.

In addition, under separate cover, you will be receiving an invitation for our benefit on September 28 and the Federal Hall New Day private announcement on October 11 both are ideal occasions for you to personally to see what we are about. We'd be honored to have you attend as our special guest.

Please let me know when a phone call could work. Warmest, and thank you again. 212 668 2322
