Subject: SURVEY - TOXIC SUBSTANCES

Attached survey has been received from Md. Department of Health & Mental Hygiene. Please review and advise. Note that the forms must be submitted within 30 days.

Page 1 - Premise Identification - contains inaccuracies regarding company representative, SIC & principal product which should be changed.

It appears that asbestos is the only listed substance on the survey sheet that is relevant. During 1977, Baltimore used 862 tons of asbestos dry felt.
