IN GO-TOGETHER DUTCH BOY PAINTS

A happy combination for home decorating, this bright bouquet of colors! Complete double in color and in use, for these smart shades are available in Naticipaint, Dutch Boy's acrylic latex flat wall finish, and in Satin Kemtone, a handsome semi-gloss enamel that's right for walls, doors, trim. Here give you soap and water cleanup, too. Or, if you prefer an alkyd or oil-type flat for walls, ask for Dutch Boy Wearwear available in most of these colors, plus many more!
