Lee appreciate the connections.

I have worked with Preston before – good to be engaged again with you and the EPA team.

Mandy – I just had a quick, general question if you have some time for a short call today or tomorrow? Desk number below is best, or I can call you.

Subject: Alaska air issue

Mandy,

I have been working with John Crowther of the Alaska Governor's Office on number of CWA 404 issues and after the discussion this morning he asked me an air question. Knowing that I was immediately out of my lane I offered you as the expert he needed to talk to. So I am connecting you both.

John I am adding Preston Corey, our lead State Liason in the office of inter governmental affairs, as the best POC for the State generally.

Thanks,
Lee
