Subject: Production Materials and Components Containing Asbestos

The Climate Control Division Supply Office has reviewed your letter of May 7, 1980 requesting confirmation of asbestos content in the identified part, ELAH-19D970-AA, an A/C compressor gasket. This part has been confirmed to contain asbestos, yet would fall into the Group "A" category for those products for which an alternate material is available. This part is presently sourced to: Crotty Corporation, Quincy, Michigan and Stanhope Products, Inc., Brookville, Ohio.

If you have further questions on this subject, please contact R. B. Jacobsen (594-2985).
