Hi Samantha,

Welcome to POLITICO Pro. To get you started, I have customized you with the CEO Report and the morning Energy newsletter. I have also provided topic tags that our editorial team has handpicked within the Energy policy area. Please highlight the issues you would like to track in real time and I will update your settings accordingly.

If you would like a walkthrough of Pro, Dave (your POLITICO Pro account manager with whom I work) holds online training sessions every Friday at 10:00am. Please let me know if you plan on attending any of these sessions so I can ensure Dave is fully prepared. If you have any additional questions don't hesitate to reach out.

Best,

Hugh
