Dear Miss McKay:

I am in receipt of a letter from Mrs. Harold M. Englund, Editor, APCA Journal, to whom I wrote for advice as to your request for a copy of my article (which is to be published in his Journal) or for a review or abstract of it. In his reply, he suggested that the abstract which I prepared for submission with the article, might well be suitable for your purposes. He went further to say that he had no objection to your use of this abstract, and suggested that I advise Dr. Brown (which I am doing through you) to write to him (Englund) for a copy of my abstract, which he will be glad to furnish. I am sure that your letter to him would serve the same purpose.

I shall be pleased if this procedure provides the solution of the problem. You will find the abstract to be informative, I believe, and I hope it will prove to be satisfactory for your purposes.

Cordially yours,

Robert A. Kehoe, M.D.
Professor Emeritus of
Occupational Medicine
