INTEROFFICE
MEMORANDUM

Subject Regulatory Costs

To R. Fleming

Executive

(Location, Organization, or Department)

From J. T. Barr

Allentown Labs

(Location, Organization, or Department)

In reply to your request for comments on the cost of regulation, I enclose:

1. A table from B. Bradd detailing environmental costs at Chemicals plants totaling \$6.3 MM for FY 77.
2. A memo from Novak showing safety and health costs for FY 77 of \$1.7 MM capital and \$2.6 MM expenses.
3. An article from the 14 March "Wall Street Journal" commenting on Weidenbaum's study.
4. An article from the 6 March "Industry Week" commenting on the effect of regulation on exports.
5. An article from the March "Chemecology" on Dow's costs.
6. An article from the 20 March "Wall Street Journal" on costs to government of regulation.
