Attached are copies of the February 28, 1972 and March 15, 1972 letters regarding the Pydraul reformulations. We are sorry that we did not send letters to you until now. These have been sent to all U. S. customers to try to help explain the reformulation and particularly to help those smaller customers who we will not call on personally.

Your regional manager has a complete master list of those customers to whom the attached letters were sent. If you have any questions please let us know.

J. H. Davidson
