

## ANOTHER CHAMPION COMBINATION

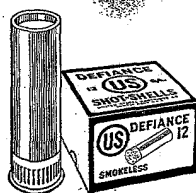

**I**N Fred C. Vertrees Colorado boasts one of the country's leading clay-busters.

During 1927 Vertrees turned in many notable performances, among them being his placing first in the A. T. A. 500 to 750 Doubles Class with an average of .9240.

Some of his other fine scores are listed below.

A great record by a great shooter, behind which is the reliability of U. S. trap-loads. Vertrees used both the Climax and the Defiance.

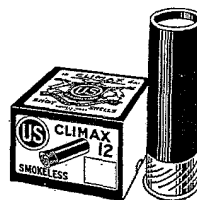

High Average on all targets for Colorado—.9637
