

1 please.

2 A That is right up the street here on St. Paul
3 Street.

4 Q And am I correct that most of the work you
5 did there was a thing called fireproofing?

6 A That was fireproofing, yes.

7 Q Was that because it was an aluminum
8 building?

9 A Yes.

10 Q Was that the first aluminum building in
11 Baltimore?

12 A The first one that I know of, yes.

13 Q Would you tell the jury why you had to
14 fireproof that aluminum building?

15 A You had to fireproof the steel. All of the
16 steel had to be fireproofed and the aluminum was a
17 spray for a backup of the aluminum.

18 Q And a lot of that fireproofing contained
19 asbestos, didn't it, you know today?

20 A I know today it did.

21 Q That is the stuff that you and Mr.
