

1 should we break, Your Honor.

2 THE COURT: Go ahead and look for it. Find
3 a document.

4 MR. SMITH: This is our Exhibit Number 68
5 offered against Owens-Corning dated September 17,
6 1963.

7 THE COURT: It will be admitted into
8 evidence.

9 (Whereupon, Plaintiffs' Exhibit Number 68
10 was received into evidence.)

11 MR. SMITH: Health hazard of Kaylo versus
12 GPL-400 which we will find out is an asbestos-free
13 product.

14 I reviewed the general problem of the dust
15 hazard of insulations and their effect upon humans.

16 Asbestos as found in Kaylo when breathed
17 into the lungs causes asbestosis which often leads to
18 lung cancer.

19 Johns-Manville denies this is true. I have
20 reprints of medical articles on the subject and one
21 describes case history and autopsy of an insulator who
