

1 Has this defendant notified in writing any
2 individual or companies to whom it marketed raw
3 asbestos fiber and/or asbestos-containing products
4 anywhere in the United States of the potential
5 relationship between exposure to asbestos and disease,
6 and if so, please state a number of items.

7 Their response was, OCF states that to the
8 best of its present information, it has not notified
9 in writing individuals or companies to whom it
10 marketed asbestos-containing products anywhere in the
11 United States of the potential relationship between
12 exposure to asbestos and disease.

13 The next was an interrogatory to the amount
14 of fiber that Owens-Corning Fiberglas purchased
15 between the years 1964 and 1972, and they responded
16 that between those years they purchased 20,072 tons of
17 asbestos during that period; 2,095 tons of chrysotile;
18 11,786 tons of amosite; 6,116 tons of chrysotile; and
19 an additional 75 tons of chrysotile.

20 Interrogatory number 45, they were asked,
21 state the amount of money spent or contributed by
