Caution: This email originated from outside EPA, please exercise additional caution when deciding whether to open attachments or click on provided links.

Steven,
Sending this (tardy) note to say thank you for the time that you and your staff spent with us discussing the status of CCR and possible opportunities for improvement. We are still working on gathering the information that we discussed and know that you are on a short timeline to develop strategies for addressing CCR issues.

Thanks again and will be reaching out soon.

Susana
