Attached is a draft of Dr. P. J. Vanderhorst's suggestions regarding VdC health and safety work practice guidelines. Please review this as to its suitability for use as an industry wide document to be submitted to the VdC Technical Panel for approval and ultimately to be published and distributed by the MCA.

I would like to hear your thoughts by no later than Friday, March 14, 1975.

I will be contacting you later regarding the scheduling of our next Subcommittee meeting.
