Hi Sydney:

I am traveling in Texas, I will get this done as soon as I am back at the office, by the end of the week.

Is that OK?

Thank you for your assistance

Administrator Pruitt:

I have been wanting to suggest a visit to offer thoughts and answer questions based on my experience at EPA. I waiting to let some time pass from the very beginning of the Administration.

I served in three different appointed positions at EPA over the last 20 years including Deputy Administrator and Acting Administrator for 6 months. I would be happy, and indeed view it as a responsibility of a former official, to offer to get together to answer questions and generally discuss EPA operations.

Let me know if you might be interested.

Thanks

Bob
