ERTSON'S

SH-AND THE AGE IS GONE

When you have an electric dishwasher and electric disposal - the whole after-meal clean-up becomes no task at all.

Just scrape the waste into the disposal - press the button - and woeah - in garbage.

And, of course, the electric dishwasher both washes and dries your dishes - just put them in - and minutes later put them away.

Get Ready Kitchen be your kitchen maid. See your dealer - and talk terms with him.
