

R. S. Yates - General Offices

October 9, 1968

CEA 2080 - Solid Aroclor
Expansion - Anniston
Preliminary Scope of Work

W. R. Haupt
R. M. Kountz
W. A. Kuhn
J. C. Landwehr
H. L. Williams

C. McIlwaine
Anniston

Transmitted herewith are three copies of the preliminary scope of work for the above project.

Please submit plant comments on this scope and the other project documents I sent to you by October 18th so we can develop the final capital estimate and complete the Project Scope Report.
