Jake - great to hear from you. I am looping in Millan Hupp from the Administrator's Office who can work with you on this.

Let me know if you need anything else!

Daisy,

I hope you have gotten a little break this summer. We invited the Administrator to our 20th anniversary celebration event in Alabama on September 21st. In addition to celebrating the success of the past, we are also announcing a significant expansion to include EVs. Would love to have him down there and would appreciate any assistance you could lend in getting a response. Thank you.

Jake
