A Well, because of the distance.
Q And what was it about the distance that you --
A Well, the difference of maybe 100 miles round trip a day, or 80 or 90, something like that.
Q So the post office was closer to where you lived?
A Much closer, yes.
Q When you say you worked at the -- you applied for the post office, do you know about approximately when you applied at the post office?
A Well, it had to be within the month after I was discharged.
Q So sometime in 1945?
A Yes, in 1945. Yes.
Q And did you -- were you actually able to obtain a job working at the post office?
A Yes.
Q What job did you apply for?
A General mechanic.
Q And what was your understanding of what a
