Subject OS-57 TOXICITY

This will confirm our verbal agreement of Monday, August 9, that the following toxicological evaluations will be performed on OS-57:

- (1) Oral ingestion
- (2) Skin absorption
- (3) Skin irritation
- (4) Eye irritation
- (5) Inhalation

You indicated that one quart of fluid would be satisfactory for these tests and we have arranged to have this quantity supplied to you by the Research Department.
