Dear Kathy,

I am forwarding this  
new list of employees  
terminated in the year '65  
so that you are free to  
send these names to  
Social Security at your  
earliest convenience.

Note the following:

Giaccalone, Russell - the birthdate is illegible  
and could be either of the two  
dates listed.

Hores, Martin - the SS# is illegible and could  
be either of the two listed.

Maimone, Richard E. - hire date is unclear,  
therefore the length of employment  
is unclear.

Hahl, Kathleen A.,  
Hoffman, Cheryl L.  
Lackmayer, Estelle R.) } maiden names  
appear under these

Also, you may want to eliminate immediately those people who worked less than one day as not qualifying for this study. A separate list of these appears at the end of the list.
