Dear Mr. Hauser,

We presume you have already been advised by the South and East Africa Rate Agreement No. 8054 that a South African port detention surcharge of \$6 per long ton will be imposed on all shipments made from South African ports, effective June 20th, 1971.

We understand once steps are taken to alleviate the long detentions of vessels at the South African ports, this surcharge will be revoked.

Very truly yours,

NORTH AMERICAN ASBESTOS CORPORATION
