C/O Asbestos Corporation Ltd.  
Thefted Mines, Que.  
November 27, 1968

Dear Sirs:

I would like to have a meeting of the Uniform Classification & Grading Committee on Tuesday, November 18th, at 9.30 a.m. in the Operations Office of Asbestos Corporation Ltd. on Mackay Street, Thefted Mines. Would you advise me, please, at telephone 418-335-9171 - Extension 281 (or Miss Daigneau at Ext. 286) whether you could attend such a meeting. If you cannot attend on November 19, could you attend November 18, November 20 or November 21st?

The agenda as I see it now will be:-

- (a) Approval of 1969 budgets.
- (b) Decision on reporting of special fibres (with additives, etc.) on "Monthly Shipping Report" - see Item No. 7 of July 3 meeting.
- (c) Random Q.S. Sampling and Checking with "Monthly Shipping Reports".
- (d) Approval of revised "Procedure for Random Production Q.S. Testing".
- (e) Review of Ottawa's work on a "dynamic" classification method - where do we go from here?
- (f) Decision on new Sherbrooke Lab. Price List (data and suggested revised prices attached).

Attached also is a list of the grades requested by member companies for FSU testing in 1968. If anyone wishes any additions, please let me know.

Yours very truly,

M. H. Foster,

Uniform, Classification & Grading Com.
