Hello Sydney,

My name is Darrin Munoz, I'm with Faegre Baker Daniels here in town and I represent the Pebble Mine in Alaska. The CEO Tom Collier will be in DC from Alaska next week and would appreciate the opportunity to meet with the Administrator if he is available, or his Chief of Staff Mr. Jackson. He will be here on Friday April 28th and Monday May 1st if either of those dates would work. Thank you for your attention at such short notice.

Regards,

Darrin R. Munoz

That's a good question. At least a couple of months I would expect if not longer.

Dear Mr. Jackson

I imagine you already have this, but if not, please find attached my initial bio sheet as per the request of Mr. Munoz. I have spoken with my much better half, Martha, and my university center director, Dr. Andrew Maier, about this application. Both have requested a rough idea of when this action might be made public, assuming that my application is still acceptable after this initial vetting.

Cheers!

Michael
