

⊗ Nearly 60% of the emission control service work, covered under warranty and performed by independent service outlets, would shift to the new car dealer's service department.

After passage by the committee, the next step is for the full Senate to vote when the bill comes up on the floor. Before your Senators vote, let them know your opposition to this detrimental legislation.

Many constituents have written their Senators. However, don't let your Senators forget the blow this warranty extension could deal to you and your customers. Consumers would be the losers if this legislation passes. Send a letter, or follow up any earlier correspondence with a typed or handwritten note, to: The Hon. _____, U.S. Senate, Washington, D.C. 20510. You may also call the Senate switchboard at 202-224-3121 and ask for your Senator's office or schedule a personal appointment with your Senator.

“We do not believe that there would be any significant additional environmental benefits . . . thus, we do not support the proposed extension.”
