Dear Steve:

In re: Sherwin-Williams
81-OD-609

I have received a translation of the Russian article sent me by John J. Larsen, Jr., the attorney for the widow of A copy is attached. Note also that I have written Dr. Van Ordstrand directly asking his commentary on the contents of the article.

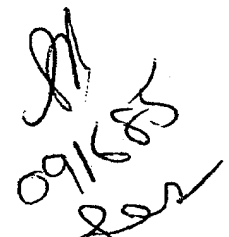

I am not sure that the Russian article is all that damaging, and my first thought is in effecting a trade-off article that we would introduce. That is about the only way either of us is going to get in any text material on research. Give me your thoughts.

Very truly yours,

Robert L. Mueller
