420 LEXINGTON AVENUE

NEW YORK, N. Y.

January 8, 1943

LEAD HYGIENE AND SAFETY
BULLETIN NO. 25

To Members of the Lead Industries Association:

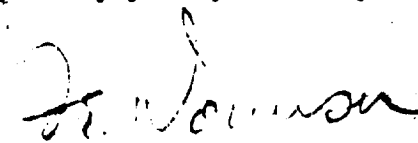

Attached please find:

1. Article by Dr. May R. Mayers, entitled, "Prevention of Lead Poisoning" reprinted from the Industrial Bulletin of August, 1942, and
2. Article by Dr. May R. Mayers, entitled, "Study of Fundamentals in Prevention of Lead Poisoning in Industry" reprinted from the Industrial Bulletin of September, 1942, and which is a continuation from the August bulletin.

The New York State Department of Labor, Industrial Hygiene Division has been kind enough to supply us with copies for our members. If you wish an additional supply please get in touch with the Division directly or with us.

I am sure you will find this up to date discussion well worth adding to your library on the subject.

Very truly yours,

Secretary.
