Jim, on behalf of Monsanto and the Office Safety Committee,
I want to extend my thanks for your involvement in the
Defensive Driving Course.

Without your participation this program would not have
gotten underway. As it turned out, the program was quite
a success in terms of personnel participation. The people
I've talked to have had nothing but praise for the job
you did.

We hope to provide this same program again in the near
future and would like to enlist your services. Please
forward my thanks to Beverly Douglas and C.O.M for making
all the equipment and facilities available. Thank you
again.

Respectfully yours,

Greg Escamilla, Chairperson
Office Safety Committee
