Mr. Carlton,

Wonderful to hear from you. Yes, we are looking at this from every angle to find a way to make this work. Would 6PM on Thursday, the 19th be feasible for your agenda?

Thank you so very much for your consideration and for your willingness to work with us on this.

Warm regards,

Maddy and Millan,

I understand there's still a possibility the Administrator may be able to join us at our event on Friday, October 20th. Is this accurate?

As you likely know, Texas has worked very closely with the EPA during the ongoing storm and aftermath. The help of the EPA has been instrumental to many of our member companies and their operations. The timing of our event and the attendance of the Administrator would be a perfect time to express our appreciation.

As a reminder, we do still have some availability on our agenda during our dinner the evening of Thursday, October 19th but Friday, October 20th would be ideal.

Thank you,
