Dave and Brad,
Seems like the meeting with Secretary Zinke is happening. I will be briefing him beforehand, so what do I need to tell him so he is best prepared for the discussion with Metropolitan's Chairman?

Thanks,
Scott

I'm sorry to bug you, but I just want to be sure that this request is in the Secretary's system. Is there a specific appointments person that I should contact as well?

Thank you.

Subject: Interior Secretary Zinke Appointment Request

Scott:

Thank you for your kind offer to convey this very important meeting request to the appropriate person in Secretary Zinke's office. The attached letter from Randy Record, Chairman of the Metropolitan Water District of Southern California, speaks for itself. All we in Met's DC operation can add is our renewed commitment to work with the Department of Interior on consensus-based solutions. Please let us know what else that the Department may require to facilitate this meeting request. Thank you.

Cordially,

PS Met's Assistant General Manager/Chief External Affairs Officer cc'd above and referenced below, Ms. Dee Zinke, pronounces her last name zink ... but is open to a pronunciation change ... if that helps.
