RE: Occupational Disease Claims Files

Dear Mr. Hayes:

Answering your kind letter of February 17, we have discussed this matter further with Mr. W.S. Haines.

Neither he, nor we can find any further use for the records and we therefore are placing them in line for disposition by the building janitors.

This is definitely an unpleasant task because of the work and study my brother Tom had given the records; however, as you well know, everything which has a sentimental attachment cannot be saved.

I might add that Tom entertained a high regard and affection for you.

Very truly yours,

George W. Angerstein
