Thank you, Gail.

I hope everything is okay with your mom. I am not in the office today as I had to head back to OK for a wedding. Forrest and a Kevin will be there.

Please keep us updated on your mom.

I am concerned because my sister took her to aftercare last night. This is my personal cell because my EPA phone is asking for a new password and I don't remember my prior password so I can't get in it.
