Reservation at 7:30 at Chops Lobster Bar in Buckhead. Chops Steakhouse is the top floor...Chops Lobster Bar is below...same menu but they said the Lobster Bar had more character. Reservation is under Ryan Ryan because they asked me what the last name was and I deliberately said Ryan not thinking they would ask for first name too...and when asked for first name I said Ryan again...so they will be judging why someone has the same first and last name. Lol. Detail will have the address

PS I made 7:30 instead of 7:00 to make sure you had time to get checked in, freshen up and drive there

Of course. Changed your reservation to Waffle House instead. Not quite a steak house but they do serve steak and eggs

We have passed like 50 of them already.
