Subject: Grants Update - May 9
Attachments: Obligated DOT Grants 5-9-2025.xlsx

Happy Friday!

Attached please find 75 awarded projects, totaling \$587M, that have been advanced this week as part of Secretary Duffy's efforts to address the unprecedented backlog of over 3,200 unsigned grant agreements left behind from the prior administration and his commitment to get America back to building again.

Please let me know if you have any questions,
Hannah
