Barry,

In answer to your questions:

I don't have anything yet on the Mexican blue conn

As regards equity: Reel 4/frames 1053-54 has an u
1962, headed 'Keasbey & Mattison Company and C
Corporation'. It records that present position of neg
follows: KM sell 4 asbestos-cement pipe plants to
Louis, Santa Clara, Hillsboro), which issues 580,00
(current value 29m dollar) to T&N Overseas Ltd. C
another 5-6m dollars for other KM assets, which T&
The memo reports that if this goes through and CTe
580,000 shares to T&N, then along with the shares
have a 21% holding. If the funds from the assets sa
T&N could raise its holding to about 24-25%, whic

I haven't yet been able to find out whether this deal
something like it probably did, because in the T&N
a little over 20% is recorded.

In 1973, other T&N docs show that St Gobain repla
shareholder in CTeed. At this point, T&N made an
of 181,300 shares (worth 1.1m pounds sterling), so
13.4%.

In 1974, T&N lost money due to CT's real estate de
be made for 1.2m pounds).

In 1976, T&N sold their 12.7% interest in CT to St
(21m pounds).

Hope this helps. I'll see if I can tidy up the loose en

There are a lot of CTeed docs on the films and they

Geoff
