Dear Mr. Brown,

The EPA contacted me by letter dated March 27, 1980 and received April 2, 1980 regarding EPA's intent to disclose to TRW, Inc. certain confidential information contained within the PSD submittal (LA-315), of the CONOCO Chemicals Company VCM Plant.

This letter is for documentation of a telephone call to Kathy Bell and Joe Winkler of your staff on April 2, 1980. They were advised of the CONOCO Chemicals Company's requirement that TRW sign a confidentiality agreement with CONOCO Chemicals Company before the EPA disclose this confidential information. I have requested Mr. Winkler to provide the precise name of the contractor (TRW) as used in the contract with the EPA, the contract number and a contact within TRW who can expedite the signing of the agreement.

We are interested in beginning the review of the PSD application as soon as practical, but feel this confidentiality protection step is required.

Sincerely,

Gary Foshee
