Subject: OSHA Contact

Here is the OSHA contact who has taken on benzene assessments from Peter Infante. This is according to the administrative people I spoke with -- I did not go into much detail. A web search listed her as the technical, not public affairs, contact for many projects. Ms. Edens is on travel until Tuesday Jan. 21.

Amanda Edens (Mandy)

Telephone: (202) 693-2093.

Let me know if you would like me to dig deeper. Matt, will you pls. circulate as appropriate?

Thanks
