A/C Advisory - Mailing List

REF: PAC meeting, October 13, 1981

ACTION REQUIRED: Review for information

Enclosed is the direct mailing list for "A/C Advisory". As discussed in the Public Affairs Committee meeting, please submit additional names of state or local public health officials that should receive "A/C Advisory."

Staff recommends that selected water utilities that have experienced health issue problems also be added to the list. The possibility that problems may reoccur suggests that these utilities should be kept abreast of the latest evidence supporting the safety of A/C pipe. The following utilities are recommended:

Brick Township Municipal Utility Authority (Andrew Ciesla)
City of Chesapeake, Department of Public Works (Bud Allen)
City of Farmington Hills (Tom Biasell)
City of Lakeland Water Department (Tom Williams)
Toms River Water Company (Ed Hughmanic)

Please advise Staff (no later than October 30, 1981) if you approve or disapprove these additions.
