3 2. Lack of Particularity

4 Without waiving these objections, see Answer to Interrogatory
5 No. 10(i).

6 27. Abex objects to this Interrogatory on the fol-
7 lowing grounds:

8 1. Burden

9 2. Overly Broad

10 Without waiving these objections, Abex states that invoices
11 which may or may not indicate sales to plaintiff's jobsites are
12 on file in Virginia for some time beginning in 1976 through 1986
13 only, and can be made available for inspection and copying upon
14 receipt of an appropriate document request. Such invoices, for
15 the most part, are arranged numerically and chronologically by
16 year, and not by customer, product or state.

17 28. Abex objects to this Interrogatory on the fol-
18 lowing grounds:

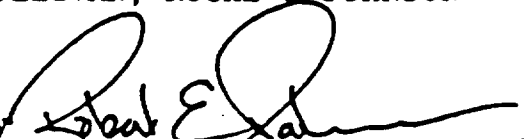

19 1. Burden

20 2. Overly Broad

21 Without waiving these objections, Abex states that it is without
22 sufficient knowledge and information as to each person, if any,
23 whose job duty may have included selling asbestos-containing
24 products manufactured by Abex to plaintiff's jobsites.
