**Subject:** Reconfirming AF&PA Meeting at EPA on Thursday, May 4 at 1:00 PM

Dear Cheryl,

I am writing to reconfirm our group's meeting at EPA this Thursday, May 4 at 1:00 PM.

Just to clarify – as I have hired a car service for our group – in your instructions below, the South Lobby is mentioned in bold in the directions; is it the North Lobby or the South Lobby where they should enter? Some of our folks were confused when I stipulated the South Lobby, as they have had meetings there earlier this week, and they used the North Lobby – so they asked me to verify.

• I currently have the instructions/directions for the group as: EPA, 1200 Pennsylvania Avenue, NW, William Jefferson Clinton Building, South Lobby / Tell Security that our group was instructed to call Cheryl Woodward at 202-564-1271 or Michelle Hale at 202-564-1430 to escort our group to the meeting

• And for the car service/driver as: EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12<sup>th</sup> and Constitution Avenues.

Please let me know if both sets of directions/instructions are correct.

Our group is looking forward to the meeting on Thursday afternoon.

Many thanks, Brooke

**Subject:** FW: AF&PA May 4th meeting at 1:00 PM

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Thursday, May 4<sup>th</sup> at 1 pm. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

**Directions:** If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators and then do a small U-Turn to the right heading toward 12<sup>th</sup> street, the North Lobby entrance is directly and immediately to your left (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12<sup>th</sup> and Constitution Avenues. It is almost exactly half way between the two avenues on 12<sup>th</sup> street and the Federal Triangle Metro sign can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

**Subject:** Two AF&PA Meeting Requests

Dear Amy Dewey,

As we discussed, AF&PA has requested two meetings with EPA. The first is a request for AF&PA's President and CEO and several of our member CEOs to meet with Administrator Pruitt on May 4<sup>th</sup> (see attached meeting request). To assist with scheduling that meeting, I have copied Sydney Hupp and Michelle Hale, as you suggested. I appreciate any help you can provide on scheduling this meeting.

The second is request for AF&PA staff to meet with Mandy Gunasekara and other key EPA staff to discuss our comments filed in response to the Department of Commerce Request for Information and to prepare for the meeting with Administrator Pruitt (see meeting request below). It is my understanding that Ms. Gunasekara has already facilitated the scheduling of that meeting. Thanks again for all your help.

Dear Amy Graham,

Thank you for your recent introductory message. We look forward to working with you on these and other issues. Jerry Schwartz

**Subject:** Meeting Request

Dear Ms. Gunasekara:

We are writing to request a meeting with you and your colleagues to discuss a number of EPA regulations and permit requirements that we have identified as adversely affecting our member's manufacturing operations. On March 31, AF&PA filed comments in response to the Department of Commerce's Request for Information pursuant to the President's January 24 directive, and our comments discuss problems and proposed solutions related to 77 distinct rules and permit issues impeding U.S. manufacturing. Most of the comments focus on EPA issues.

AF&PA President and CEO Donna Harman has requested a meeting with Administrator Pruitt on behalf of several of our CEOs on May 4<sup>th</sup>, and we believe that meeting with you and other key EPA staff in advance of that meeting would enable the Administrator to be well-briefed and ensure the meeting is as productive as possible. As the issues we would like to discuss span a number of EPA offices, we have copied several of your colleagues on this message. We will facilitate your busy schedule, but the dates of April 18-21 look good for us.

Top priority issues we would like to discuss include:

1. Carbon Neutrality of Biomass
2. Air Permit Gridlock
3. Human Health Water Quality Criteria
4. EPA Procurement Guidelines for Paper and Paper Products Containing Recovered Materials/Specifications, Labels and Standards

AF&PA represents U.S. manufacturers of pulp, paper, packaging, tissue and wood products. Our industry employs 900,000 hard working men and women, and our mills often are located in small, rural communities that need good-paying jobs. The U.S. forest products industry is very heavily regulated, but at the same time also must operate efficiently in a fiercely competitive global market.

We look forward to hearing from you soon and to discussing these important issues. Thank you for your consideration.

Best regards,

Paul Noe
