the meeting is going to take place on the 24th?

Ben/Aurelia-

Just a short note to thank you both for spending time with the Chatham delegation. Jill, Shareen, Bob, Tom and I thoroughly enjoyed the opportunity to meet with you and discuss the negative

impacts of the illegal taking by FWS on our community.

We applaud your efforts to improve public access to public resources which is parallel to the way the Town of Chatham approaches resource management. As Shareen mentioned, the open waters west of Monomoy Island provide fantastic opportunities for the public to enjoy fishing, boating, clamming, hunting and many other outdoor activities. We want to keep it that way!

We very much hope that the Secretary (and his staff) will see the merits of our case and help us restore the historic western boundary. I am also attaching a copy of the press release the Town issued today.

Please contact me if you need anything from us.

Regards,

Jeffrey Pike

Excellent. So it will be you, Town Manager Jill Goldsmith, the Director of Natural Resources Bob Duncanson and the lead member of the Board of Selectman Shareen Davis?
