Dan,

Thanks for reaching out!

I have sent this on to the scheduling department and they will follow up soon. If you don't receive an answer on it, let me know.

Best,

Samantha

Hi Samantha,

Don't know if you remember me but we have met a few times when you were with RAGA. I worked with Altria and Kraft Foods in past lives.

Now I am a DC based consultant who does a lot of work in the US and also with members of the UK and European Parliament (we were heavily involved in the successful Brexit campaign last year).

**Roger Helmer**, a British member of the European Parliament and the UKIP spokesperson on energy and industry is coming to Washington next week to speak at the Heartland Conference on climate and energy issues. He has some free time next **Friday, March 24<sup>th</sup>** and he was hoping there might be some availability for a meeting between him and the Secretary or perhaps yourself to discuss issues of common interest.

Mr. Helmer is a big admirer of President Trump and a strong supporter of what Secretary Pruitt is trying to accomplish at the EPA. I think his background and expertise would make for a very productive meeting. Mr. Helmer's biography can be found [here](#).

I realize this is very short notice but I hope that the Secretary or someone on the senior staff might find time to meet with Roger Helmer, on Friday, March 24<sup>th</sup>.

Thanks very much for your consideration of this request. I can be reached at this email address and on my cell phone, (202) 329 6242.
